What is Open Doors?

Our Open Doors program provides services to youth (up to age 21) who have run away or are at-risk of running away. Open Doors offers counseling, safety planning and family meetings with a goal of keeping a family together.

Host Homes support the program's mission of family reunification by giving families in crisis a "break" from that conflict.

Family and Children's Service is currently looking for willing individuals to provide Host Homes for youth. Temporarily opening your home to youth will provide them with a sense of security and safety in a time of instability.

What are the responsibilities of a Host Home?

- Provide a safe and temporary home for youth who have run away or are homeless; can be for one night or up to 30 days
- Provide a bed and private storage space for youth's belongings
- Include youth in family activities
- Implement reasonable boundaries for the home
- Attend trainings and support the youth to reunite with their family

I think I can help. What do I do next?

Call or email us. We'll set up a time to meet to answer your questions.

Thank you!
